

VANCE INDUSTRIES, INC

Vanseal Sink Clamp is designed to securely hold the undermounted sink in place while mounting hardware is added and adhesives/sealants set. The clamp set comes with a sturdy aluminum I-beam, threaded ¼” steel rod, and 2 spin clamps (2 ½” and 5”). The Total Adjustment design, allows minor tweaks in tension for that perfect positional and professional fit. With the Vanseal sink clamp you bring accuracy, adjustability, and speed to your undermount sink installation. Visit: www.vanceind.com for more information
